PLAYER GUIDE

The biggest disc golf event in Europe.

TYYNI 2019

WELCOME

Welcome to Dynamic Discs Tyyni 2019 sponsored by Latitude 64!

It's time for the seventh annual Tyyni event and not breaking the habit, we are bigger and better than ever. Breaking the biggest disc golf event record now the third time in a row and climbing up to the third biggest event in the world. Tyyni is also one of the most international events ever played, over 300 players are outside of Finland and with 16 different nationalities.

Tyyni has always been a fun, low-entry level competition but also an experience. It's about spending time with friends and soon-to-be friends, both on course and especially off the course.

Again, we are making history with the biggest event ever in Europe, not just the official event but all the side-events and other happenings. You don't want to miss ANYTHING that is happening around, so make sure you check the updated schedule from the website and from Tyyni 2019 Mobile App. In the App, you can also easily communicate with other players with the built-in community wall.

Tyyni is hosted by Natural Born Disc Golfer with four different local clubs (Sipoon Discstroyers, Frisbeegolf Club Keinukallio, Frisbeegolfclub Hyrylä and Disc Golf Vikings). Not forgetting all the people helping out all over Finland and even all over the world! Did you know that in Tyyni there are TD's from Finland, Netherlands, Denmark, and Germany?

This size of an event would not be possible without volunteers and especially without sponsors. Do not forget to thank the volunteers when you see one and remember to use our sponsors services when available, they are making YOUR experience the best possible.

I personally hope you will enjoy Tyyni -experience as much as possible and have made my best effort towards it for the last year. I know we can't make everything perfect and I want to hear what I and the whole Tyyni staff can improve for the next year. If everything was perfect or better, don't hesitate to tell us that too!

Bang those chains and enjoy your time in Tyyni. Meet your friends and make new ones. This week is most likely the best Disc Golf week you ever had!
